

## Obligation Fee | League Fundraisers

Smiths Station Youth Flag Football understands the financial burden little league sports can be. While we try to keep costs as low as possible and are continuously looking for ways to offset costs, there is a lot that goes into providing our members with a quality league. Registration Fees will cover league uniforms, city fees, and insurance costs.

In addition to Registration Fees, each participant will be required to pay a \$55 Player Obligation Fee. This will be allocated towards field maintenance and equipment, referees, field painting, and other miscellaneous operating costs. To help families offset that cost, the league will offer two fundraising opportunities. One being our raffle ticket fundraiser and the other being a corporate sponsor banner (presented on the next page).

To receive raffle tickets, the player registration fee must be paid in full. Raffle ticket packs will be distributed with your player registration packet at the time of uniform sizing. Each pack should have 22 tickets inside, \$5 each = \$110 per pack of raffle tickets. You may receive as many or as few tickets as you would like. When you turn in your 1<sup>st</sup> pack of raffle tickets, your player's \$55 obligation fee will be paid in full. If you have already paid your obligation, we will give you back \$55. Once Obligation Fee is paid in full, any raffles sold and turned in will be split with the league 50/50.
